

Bram's Magic Mirror Time

Second Screen Interactions

Light Capture Game: The viewer can help Drac defeat the ghost that possesses his friend Frankie. The game uses the tablet's light sensor and asks the player to fill up a "light pool" (by standing in sunlight or under a lamp to fill the pool) and then rushing back to the TV to attack the ghost (by tilting the device to cause the light to shine away). Other possible game designs include:

1. The player fights a ghost on their screen instead of pretending to fight the ghost on the TV screen.

Frankie's Room: The viewers can help Frankie clean his room using their tablets. On the tablet shows Frankie's messy room with his toys, clothes, and other odd Transylvanian-type objects tossed about. The viewer has to drag and drop all the objects into their designated spots in a certain amount of time. Other possible game designs include:

1. Finding creatures in the messy room and having to capture and tame them,
2. Rearranging the room's mess into robots or interesting sculptures.

EXT. DRACULA'S CASTLE - DAY

BRAM (V.O.)

Welcome to another sunny day in Transylvania. But not everything is as it seems; trouble is brewing for our friends in Dracula's Castle.

INT. DRACULA'S CASTLE - DAY

DRAC, WOLFIE, and VAN gather around a TV screen.

DRAC

I present to you all, Super Normal Plumber Pals, a new video game where I can use my Magic Mirror to play along with you!

DRAC shows his Magic Mirror, which looks like an ornate and Gothic-looking tablet.

VAN

Neato! I give it two whip snaps!
(Van pulls out a small whip and snaps it twice)

WOLFIE

Woof! Woof!

VAN

Oh, but we need four people to play. What are we going to do?

DRAC

Hmmm, Van you're correct, we only make three. Oh, let's invite Frankie! To the basement!

INT. BASEMENT - DAY

The three kids huddle together as they walk through the cobweb-filled basement. WOLFIE gives a whimper.

VAN

Wolfie's right, it's too dark. How are we going to find Frankie?

DRAC

Let me give this a try. Magic Mirror, activate!

Drac points his Magic Mirror and light pours out brightening the basement and clearing the cobwebs. SHING! The collection of baroque artifacts sparkle against the light. Everything looks beautiful.

DRAC (CONT'D)
But where's Frankie?

Wolfie sniffs the air and his tail starts to wag.

WOFLIE
Sniff, sniff. Yap!
(Wolfie darts off.)

DRAC
Wait up, Wolfie!

Van and Drac rush over to find Wolfie sniffing a tall wooden wardrobe.

WOLFIE
Yap! Yap! Yap!

DRAC
Look, Wolfie found something.

They hear a moan from behind the door. Wolfie opens the doors to find-

VAN
It's Frankie! But is he sleeping?

Frankie is bunched up like a ball with his eyes shut. They hear the moan again and then a voice.

GHOST
Leave me aloooooonnnnee...

A ghost appears hovering over FRANKIE.

FRANKIE
Leave Frankie alone.

VAN
A ghosts got Frankie! I'll get it.
(Van snaps his whip at it
with no effect.)
Get ghost, get!

GHOST
I don't want tooo hannnng ouuut
today, gooooo awaaayyyy...

FRANKIE

Go away. Frankie no play now.

WOLFIE

Grrrrr! BARK! BARK!

VAN

Dang, my whip's no good. How do we stop a ghost?

DRAC

This is not just any kind of ghost.
 (Drac holds up his magic mirror and scans the ghost and info appears.)
 Frankie's possessed by a Grumpy.
 These guys are bad.

VAN

A grumpy! Those are the worst. They steal your energy and make you lay in bed all day. My mom gets those all the time.

DRAC

However they do have a weakness: sunlight.

GHOST

It woonnntt woooooorrrkk...
 Juuust giivvvvee uuuppp....

FRANKIE

Give up on Frankie. Frankie has.

WOLFIE

Wolf! Wolf!

VAN

Yeah, how are we gonna find sunlight in a basement?

DRAC spots a beam of light coming through a crack in the floor above.

DRAC

Good question. But look, I can trap some of this light in my Magic Mirror and use it on the Grumpy.

VAN

We better hurry up, I think Frankie's getting worse.

GHOST

Quuuuiittt noooowww... Everrrryyyy
thinngggg iss stuuuppidd...

FRANKIE

Frankie the worst at everything...

DRAC

I could use some help.

(Drac talks directly to
the camera.)

If you have a Magic Mirror at home
run to your window or a nearby lamp
and collect light then rush back to
the TV and shine it onto the
Grumpy. We can do this together!

Drac rushes over to the beam of sunlight and fills up the
Magic Mirror, then runs back to Frankie. He taps on the
Mirror and light shines onto the Grumpy. The Grumpy moans and
fades away slightly. Drac repeats this a few more times,
until the Grumpy fades away completely. POOF! It's gone.

WOLFIE

Hooowl! Wolf! Wolf!

VAN

You did it, Drac!

DRAC

Thanks, but how is Frankie?

FRANKIE pulls himself out from under the table and rubs his
eyes.

FRANKIE

Frankie much better now, thanks to
friends.

VAN

Great! Want to come play a new
Plumber Pals with us?

FRANKIE

Frankie want to play, but Frankie
can't...

WOLFIE

Hrrr?

FRANKIE

Parents told Frankie to clean up
room.

(MORE)

FRANKIE (CONT'D)

Parents say, just cause we are monster don't mean we have to live like monster. Frankie tried to clean. Too much mess and Frankie got upset. Frankie can't help it.

DRAC

And then that's when the Grumpy struck. Frankie, don't you worry. We can help you clean up.

FRANKIE

Are you sure? Mess is major.

WOLFIE

WROW-WROW!

VAN

Wolfie's right, that's what friends are for. Let's go!

INT. FRANKIE'S ROOM - DAY

Everyone takes in the shocking mess of Frankie's room.

DRAC

Wow, what a monster mess.

FRANKIE

Frankie tried to warn friends.

VAN

That pile of dirty clothes goes all the way up to the ceiling!

WOLFIE

Sniff, rrrr...

VAN

P-U is right! This stinks. We'll never get to play Plumber Pals.

DRAC

This is quite a mess. Just because I'm immortal doesn't mean I want to clean forever. What are we going to do?

Drac's Magic Mirror pulses with magic light.

VAN

Drac, can your Magic Mirror help?

DRAC

Smart thinking, Van. We can use it to help us clean, but only if some friends at home can help too.

Drac points his Magic Mirror at Frankie's room and the mess starts to float off the ground. Drac drags an item across the Mirror and the item in the room follows along. Drac places all the messy items where they belong, until it's sparkling clean.

FRANKIE

Frankie cannot believe his eyeballs. Frankie so happy!

VAN

Good job, Drac!

Wolfie excitedly rolls around on the floor and wags his tail.

WOLFIE

Woof! Woof! Woof! Woof! Woof! Woof!
Woof.

DRAC

That's right Wolfie, even monsters can get scared and overwhelmed. Sometimes, all you need is a little help from friends.
(He winks at the camera.)
